Coinciding with the longest day of the year, the Summer Solstice trail run is arguably the most enjoyable race in the Vail Trail Running Series. These courses begin and end in the lawn in front of the Beaver Creek Chophouse adjacent to the Centennial lift in the heart of Beaver Creek, Colorado. This event is held in partnership with the Beaver Creek Resort Company and Vail Recreation District, and hosts 10K and 5K trail options, as well as a kids fun run.

The 18th annual LG Sprint Tri will take place once again at Siena Valley Club in Gypsum! The ages 14+ triathlon includes a 500-meter swim, a 12-mile bike ride and a 5K run. Participants can sign up as individuals or members of a team of 2 or 3. There is also a Kids' Tri for those 6-13 years of age. The LG Tri is held each year in memory of long-time local and friend Laura Genelin, who passed away in July 2008 from colon cancer and loved participating in triathlons.

Bowling for Boobs is a vibrant and inspiring fundraising event held during Breast Cancer Awareness Month. This evening combines a friendly bowling competition, delicious bites and beverages, and community spirit to support a vital cause. The event invites participants to form bowling teams and spectators to enjoy an exciting atmosphere filled with fun, camaraderie, and a silent auction. Proceeds directly support the Vail Breast Cancer Group, a dedicated subgroup of the Vail Valley Charitable Fund, which assists individuals diagnosed with breast cancer. This program continues to provide care and comfort, and is rolling out a mammogram program to assist uninsured locals in the valley.
